

Listar tendencias

```
graph LR; A(Listar tendencias) --- B[Hashtag Container]; subgraph B; C[#hashtag contador]; D[Hashtag]; end
```

The diagram consists of a rounded rectangle on the left containing the text 'Listar tendencias'. A horizontal line connects this rectangle to a large hexagon on the right. Inside the hexagon, the text '#hashtag contador' is written in red, and a smaller rectangle containing the text 'Hashtag' is positioned to its right.
